Jury Scam using Social Security Fraud Phone Number

On March 20, 2019, a concerned citizen contacted our office regarding a phone call she had received from 1-800-269-0271 which showed up on her Caller ID. This number belongs to the Social Security Fraud division. The caller advised that this was their "second attempt to reach her regarding grand jury and advised her to call 1-828-367-361 to deal with the situation". The recording on this number was the same message as the 1-800 number but muffled. The Social Security Inspector General has been notified of the possible spoofing of their phone number.
