Church Missions

Please forward the summons packet to the summoned juror for completion of the questionnaires on-line. In order to fill out the questionnaires on-line they will need their nine (9) digit juror participant number which is located on the front of the summons. If they do not have access to a computer someone other than the summoned juror may fill out the questionnaires.

Individuals on a mission out of state whom will not be returning to Idaho within a one (1) year period may be excused. **Verification must be provided and may be faxed**.

If you will be returning within a one year period, we may offer a one-time postponement. The court's postponement policy applies.
