1. That Applicant is the duly appointed, qualified and acting Trustee in Bankruptcy in the above Chapter 7 proceeding.

2. That Applicant has found it necessary to retain and employ an attorney in the performance of the duties as Trustee for the reason that Applicant is not an attorney, and it will be necessary to have an attorney advise Applicant on general legal questions which may arise in the administration of the estate of the above named Debtor(s), and further to take any required action in connection with the collection and liquidation of estate assets, settlement of disputed claims, and settling of the estate.

Applicants' proposed hourly rate is \$120.00 for attorneys and \$70.00 per hour for paralegal. This rate, however, is subject to being increased or decreased from time to time as a result of changed economic conditions and/or modifications in applicants' billing rates and procedures applicable to all applicants' clients, as well as unique circumstances to this particular case. Fees and expenses to be subject to Court approval.

4. Applicant is aware and Jim Spinner of the firm of Service, Spinner & Gray have disclosed to Applicant that said attorneys have represented and are currently representing both creditors and debtors in other bankruptcy cases, but upon the best information, knowledge and belief of said Applicant, Service, Spinner & Gray do not hold or represent an interest adverse to the bankruptcy estate in the above named case.

5. Applicant represents that retention of said attorneys is in the best interest of the bankruptcy estate and may result in substantial dividends for the benefit of the estate.
