estate on third party property owned by Dale Stoller. Three of the lines are the one-quarter mile long and two of the other lines are one-eighth mile in length. Three of the five movers were used at the time of purchase and the wheel lines are approximately nine years old.

2. TIME AND PLACE AND TYPE OF SALE: The Trustee proposes to sell the irrigation wheel lines to Dale Stoller, the land owner for the cash price of \$14,000.00 after expiration of the objection period or upon Court approval if an objection is filed.

3. TERMS OF SALE: The property shall be sold for the sum of \$14,000.00. Sale shall be free and clear of all liens and claims with any valid liens or claims to attach to the proceeds of sale.

The sale is conducted pursuant to 11 U.S.C. §363(f)(1). The sale is "AS IS - WHERE IS" without warranty of whatsoever nature.

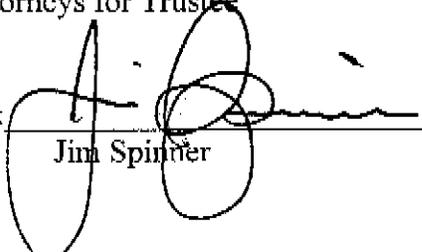

The sale is contingent upon Court approval if an objection is filed.

4. MISCELLANEOUS INFORMATION: The Trustee is aware that United States Farm Service Agency ("FSA") has a secured interest in the irrigation wheel lines together with other collateral, including real property and a total secured claim of approximately \$215,000.00. The Trustee is selling the wheel lines, together with other properties secured to FSA to realize equity over and above the obligation of FSA. The Trustee knows of no other lien claimed against said property. In the opinion of the Trustee, the sale is for the reasonable liquidation value of the property. Net proceeds from the sale will be distributed pursuant to 11 U.S.C. §726. For further information contact the Trustee, R. Sam Hopkins, P.O. Box 3014, Pocatello, ID 83206-3014; Phone (208) 478-7978.
