## **ADDITIONAL PROVISIONS CONCERNING RIGHTS OF THE PARTIES**

**PREPAYMENT REFUNDS:** Any refund of unearned finance charges (as described on the front) will be figured by the actuarial method (a common formula for figuring refunds on the early payment of installment contracts).

**NSF FEE:** If payment is made by a check which is dishonored, I agree to pay Lender a fee of \$20 or such lesser amount specified by applicable law.

**APPLICATION OF PAYMENTS:** Any sums received from me may be applied at Lender's discretion to obligations hereunder or to any other indebtedness owed by me to Lender despite directions, if any, appearing on the remittance, and to interest before principal; and if permitted by law to paid due interest before installments. If any proceeds from the sale of the Goods or Insurance are applied to the debt, I remain liable to make each monthly payment described in this contract until it is paid in full. Lender can accept payments marked "paid in full" or with other restrictive endorsements, without losing any of Lender's rights under this Agreement.

**DEFAULT:** This contract shall be in default if: (a) I fail to pay any installment when due, (b) I attempt to sell or encumber any interest in the Goods, (c) I institute or have instituted against me proceedings under any bankruptcy or insolvency law, (d) I make an assignment for the benefit of creditors, (e) I fail to pay any taxes levied on the Goods, (f) any attachment, execution, writ or other process is levied against any of my property, (g) I fail at any time to keep the Goods properly insured as described below, (h) I remove the Goods, without prior written notice to Lender, from the location in which I have agreed to keep them, (i) I fail to maintain the Goods in good condition and repair or permit its value to be impaired, (j) I permit the Goods to be used in violation of any law, regulation or policy of insurance, (k) any representation, warranty or statement is made to Lender in connection with this agreement which is false in any material respect when made, (l) any legal entity such as a partnership, limited liability company or corporation that has agreed to pay this agreement ceases to do business, dissolves, liquidates its assets or terminates or fails to maintain its corporate existence, or (m) for any reason Lender deems the debt or security unsafe. In any such event Lender may take possession of any Goods in which Lender has a Security Interest and exercise any other remedies provided by law, and may immediately and without notice declare the entire balance of this contract due and payable. In addition, to the extent permitted by law, Lender may collect all reasonable expenses, including attorney's fees, incurred in realizing on the security interest granted hereunder, or otherwise enforcing the terms of this contract. Lender also has the right to take possession of the Goods or render the goods unusable.

If Lender takes possession of the Goods after I default, it shall be commercially reasonable for Lender to sell the Goods at a private sale: (i) at wholesale to a dealer in used goods of like kind; or (ii) at retail to a purchaser directly or through a dealer in such used goods. The enumeration of the foregoing methods of disposition are without limitation to the Lender's right to dispose of the Goods by any other manner or method (whether by sale, lease, or otherwise) in a commercially reasonable manner.

**RISK OF LOSS AND OTHER AGREEMENTS:** The Goods are held by me at my risk and expense with no abatement in my obligation on account of loss or damage. I will settle all claims of any kind against SELLER directly with SELLER and I will not use any such claim as a defense, setoff or counterclaim against any effort by Lender to enforce this contract. Waiver or condonation of any breach or default shall not constitute a waiver of any other or subsequent breach or default. I authorize Secured Party or any assignee hereof to file (or to execute on my behalf and may) a financing statement (or statements) in order to perfect the security interest granted herein, indicating the type of items described herein or describing such items. **FAX AND ELECTRONIC SIGNATURE:** Each person who signs this contract agrees that any carbon signature, facsimile signature or electronic signature shall constitute an original signature within the meaning of applicable law, for all purposes, including the filing of financing statements. Any provision hereof prohibited by law shall be ineffective and deemed deleted to the extent of such prohibition and shall not invalidate any other provision hereof. Lender may correct patent or clerical errors in this contract, or in any purchase orders or financing statements executed in connection herewith.

**PHYSICAL DAMAGE INSURANCE PROVISIONS:** I agree that (except to the extent this contract is for service work) I will at all times keep the Goods insured against all risks of loss, damage or destruction for their full insurable value, with Lender listed as loss payee. I may choose the person through whom I obtain the insurance, but the insurance must be acceptable to Lender. Such insurance will provide that it may not be cancelled by me without Lender's consent and may not be cancelled by the insurer without at least 10 days written notice to Lender. I agree to provide Lender with evidence of the paid-up insurance policy that I have on the Goods within 15 days of the date of this contract and at least 30 days before the renewal date. It is understood that if I fail to deliver to Lender satisfactory evidence of paid-up insurance, Lender may but shall not be obligated to, purchase such insurance. I agree to pay the cost thereof either at such time or times as Lender demands, together with interest thereon at the Contract Rate until paid, or to have such cost added as increases in the amounts of the Installments at the sole discretion of Lender. If I provide evidence of paid-up insurance after this time period, I agree to reimburse Lender for the cost of any insurance Lender purchased until the date such evidence is provided by me. In addition, if permitted by law, I agree to pay a reasonable administrative fee to Lender for obtaining and cancelling such insurance.

I understand that I meet this insurance requirement by having Lender purchase such insurance. Inclusion of an amount (percentage) diversity agreement in the Insurance Disclosure box on the front of this contract will be my election to do this, but such insurance will be purchased only if Deere & Company accepts this agreement. Such insurance will cover the fair market value of the Goods at the time of loss and will remain in effect until my debt to Lender is paid in full, or Lender's security interest in the Goods terminates, or I default under this contract and Lender cancels the insurance, or any of the Goods are repossessed, or the Retail Installment Sales Floater Policy under which Lender purchased the insurance is terminated.

If I default under this contract, I give Lender permission to cancel any insurance on the Goods and, if allowed by law, to apply any premium refunds to my debt to Lender with any excess returned to me.

Any proceeds payable to me from insurance by reason of loss, damage or destruction of the Goods may be applied to my outstanding debt to Lender or to replacement of the Goods, at Lender's sole discretion.

I understand and agree that Lender may consider my debt in default if I fail to keep the Goods properly insured at any time before my debt to Lender is paid in full. If that happens, Lender may, but is not obligated to, buy insurance to protect the Goods and add the cost to my debt to Lender, and I promise to pay such additional cost upon Lender's demand.
