NORMAN KENNETH SPENCER, ) AMENDED CHAPTER 13 PLAN  
dba NorBon's Copy Cabin, ) AND RELATED MOTIONS  
) DATED 25 OCTOBER 1999  
Debtor. )

This is an amended plan. On confirmation, it will replace and substitute for the previous plan(s) filed herein. Creditors will receive payment as described herein rather than as provided in any previous plan.

*This plan, proposed by the debtor, contains provisions that may significantly affect your rights. It contains matters, which if not objected to, may be accepted by the court as true. Creditors cannot vote on this plan. A creditor who wishes to oppose the plan may do so by timely filing an objection to the plan. Any objection must be in writing and must be filed with the court and served upon the debtor, debtor's attorney, and the Chapter 13 trustee by the time set by the court for the first meeting of creditors, within five (5) days thereafter, or as otherwise allowed by law. Absent any such objection, the court may confirm this plan, accept the valuations and allegations herein, and grant the motions without further notice of hearing. You must appear at the confirmation of the plan to assert your objection, or it may be denied without further notice or hearing. The provisions of the confirmed plan will bind the debtor and each creditor.*

1. **PAYMENTS TO TRUSTEE.** Such portion of the projected future earnings and income of the debtor as is necessary for the execution of the plan is submitted to the supervision and control of the Chapter 13 trustee for the duration of this plan, to wit:

(a) **PERIODIC PAYMENTS.** Debtor will pay as follows to the trustee for a term not exceeding 42 months: \$660 per month in June, July, August, and September, 1999, followed by monthly payments of \$829 commencing in October, 1999. All payments will be due the trustee no later than the 20th of the month.

(b) **INCOME TAX REFUNDS.**

(1)  Debtor projects receiving no income tax refunds during the term of this plan so none will be turned over to the trustee; OR

(2)  Debtor expects to receive income tax refunds during the term of this plan. During the initial 36 months of the plan, the debtor will turn over to the trustee all income tax refunds. At any time during the term of the plan, debtor shall be entitled to use a tax refund from the state or federal government to pay taxes due any other taxing authority and then remit the balance of said refund, if any, to the trustee. Upon the trustee's recommendation or upon notice and hearing, the court may enter an order entitling the debtor to retain, in whole or in part, income tax refunds to facilitate the terms of this plan or meet other reasonable or necessary needs of the debtor.

(3) Any extra funds received by the trustee from tax refunds, sale of assets, or any other source beyond the regularly scheduled monthly payments shall be applied first to any unpaid administrative claims, next to priority claims, then to secured claims and finally to general unsecured claims, with any unsecured claims classified in Section 4(c)(1) hereof receiving preference.

(c) **EARLY PAYOFF.** This plan may not be paid in less than thirty-six (36) months by debtor without notice to interested parties and an opportunity for hearing before the court.

(d) **WAGE DEDUCTION ORDER.** Debtor acknowledges that if the debtor is ever more than thirty (30) days delinquent on any payment due under section 1(a) of this plan, upon request of the trustee a wage deduction order to debtor's employer may immediately issue.

2. **DEFERRAL OF PAYMENTS FOR CAUSE.** The trustee for cause may defer not more than two monthly payments per calendar year without further notice to parties or hearing before the court.

3. **POST-CONFIRMATION RECOVERY OF PROPERTY.** Debtor elects as follows:

The trustee shall retain the right, post-confirmation, to recover monies, to recover property, and to avoid liens pursuant to 11 USC 541, et seq. Any such recovery or avoidance shall, when liquidated, be disbursed to creditors pursuant to

the terms of this plan, including but not necessarily limited to Section 1(b)(3), OR

The debtor has calculated the right to recover monies, to recover property and avoid liens pursuant to 11 USC 541, et seq., in the plan payment. As a result, the trustee shall not retain such further rights, post-confirmation.

4. **DISBURSEMENTS & PLAN TREATMENT BY TRUSTEE.** From the payments so received, the trustee shall make disbursements as follows:

(a) **PROVISIONS FOR PRIORITY CREDITORS.** Full payments of allowed claims entitled to priority under 11 USC 507 in deferred cash payments as follows:

(1) **Trustee.** Fees to the trustee as provided by 28 USC 586.

(2) **Attorney.** Fees and costs to the debtor's attorney in an amount to be proven and allowed by the court but not to exceed \$2450, payable in equal monthly installments over the initial six months of distribution. For purposes of this subparagraph, the first month of debtor's payments to the trustee shall be deemed the first month of distribution. This is in addition to the fee retainer paid prepetition (\$800) and any sums allowed in any previous order(s).

(3) **Maintenance/Child Support.** Unless the holder of the claim agrees otherwise, upon confirmation of the plan and the filing of an allowed claim, any allowed unsecured claims of a spouse, former spouse, or child of debtor, for delinquent maintenance or child support shall be paid...

...during the initial xxxx months of the plan; OR  
 ...in equal monthly installments over the term of the plan.

(4) **Taxes.** Unless the holder of claim agrees otherwise, upon confirmation of the plan and the filing of allowed claim, any allowed unsecured priority claims of governmental units shall be paid...

...during the initial xxxx months of the plan; OR  
 ...in equal monthly installments over the term of the plan.

Tax claims may be filed, allowed, and paid pursuant to 11 USC 1305.

(b) **PROVISIONS FOR CREDITORS HOLDING SECURED CLAIMS.**

(1) **Modification of rights of holders of secured claim.** To each of the following named creditors, the full value of the allowed secured claim held, provided a timely allowed claim is filed. Any portion of the debt owed to a creditor in excess of the allowed value of the collateral will be treated in this plan as an unsecured claim. Each creditor holding an allowed secured claim shall retain its lien on the collateral securing that claim until the *allowed secured value* has been paid, at which time the lien shall be released. The allowed secured value is defined as the lesser of the amount of a creditor's claim or the market value of the creditor's collateral, as set forth in this plan. The *allowed secured value* shall be amortized at the rate of interest (simple interest, direct reducing), in equal monthly payments over the term of the plan, unless otherwise provided. No pre-confirmation interest shall be paid unless otherwise provided. Upon payment of the allowed value of the secured claim, the secured creditor's lien shall be released, void of any further effect, including void of any further security interest. Any portion of the debt owed to a creditor in excess of the allowed value of the collateral will be treated in this plan as an unsecured claim. Unless otherwise ordered by the court, payments shall commence upon filing of an allowable claim and pursuant to the terms of the Order of Confirmation of the plan. The *Projected Total Payments* constitute the debtor's best estimate of the the total of all payments made to the secured creditor on the secured portion of such creditor's claims. At the discretion of the trustee, allowed secured values of \$500 or less may have payment accelerated.

*Secured creditor rights and claims will be modified in accordance with the values and terms provided for hereinafter by debtor. An order valuing the secured portion of a claim, at less than the total amount of the claim, voids the creditor's lien to the extent of the unsecured portion of the claim.*

The debtor hereby MOVES the court for an order so fixing the value of the collateral as follows.

Name of Creditor	Description of Collateral*	Allowed Secured Value	Rate of Interest	Projected Total Payments
------------------------	----------------------------------	-----------------------------	------------------------	--------------------------------

None

If a secured creditor objects to this provision, debtor will nevertheless ask the court, at the hearing on confirmation, to confirm the plan over such creditor's objection, pursuant to 11 USC 1325(a)(5)(B). In the event that any such secured creditor fails to timely file a secured claim, a late-filed claim shall be allowed for purposes of distributing payments for the secured portion of its claim. In the event that such creditor may have an

unsecured portion in its proof of claim, no distribution shall be allowed for the unsecured portion of the claim.

(2) **Curing of Default in Long Term Secured Claims.** To each of the below named creditors, the debtor does not propose to pay, in full, their allowed secured claim during the term of this plan. Each creditor shall retain its lien on the collateral securing the claim until the allowed secured claim is paid in full. The debtor will continue the regular monthly contract payments outside of the plan. Each post-petition payment shall be paid by the debtor as it comes due. The initial payment shall commence on the first full month following the filing of this bankruptcy by debtor. The periodic payments under this plan shall be applied by creditor to the earliest payment for which a portion of the payment is due. Payments shall commence upon filing of an allowable claim and pursuant to the terms of the Order of Confirmation of the plan. Unless otherwise provided, the frequency of payments shall be in approximate equal monthly amounts, during the term of the plan. The *Total in Default* provided hereinafter represents the debtor's projection of the total amount necessary to cure the default. In the event that the creditor's allowed claim provided otherwise, the allowed claim shall control. Each such creditor shall further be entitled to receive interest on their claim, as allowed by law. Such interest rate shall be the nondefault contract rate of interest provided in the promissory note between each creditor and debtors.
