

3. During the period that I served as the Trustee of this estate, I worked very closely with the attorney for the estate, Barry Peters.

4. I have had the opportunity to observe Mr. Peters' handling of the diverse challenges presented by this case.

5. In my opinion, Barry Peters has provided exemplary legal services to this bankruptcy estate. His legal and tactical advice has served the estate very well and has resulted in the recovery of the sole asset of the estate. Without his persistent services, there would have been no recovery from which the creditors might now be paid.

6. It should further be noted that Mr. Peters' services, during the bulk of the six (6) years that he has worked on this case, were rendered without any assurance that assets would ultimately be recovered from which his fees and expenses might be paid. Despite that uncertainty, Mr. Peters never wavered in his dedication to the task.

7. I have had the opportunity to review the Application for Final Compensation by Attorney for Trustee which has been submitted, including all of the time and expense records attached to that Application.

8. I believe that Mr. Peters' hourly rate is reasonable in light of the complexities of this case. The time required for the tasks undertaken was also reasonable in all instances.

9. Based upon my review of that Application and my knowledge of this case, it is my opinion that Mr. Peters is entitled to the full compensation which he has requested.

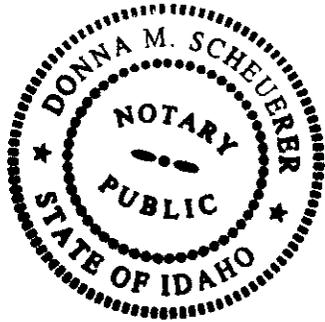

FURTHER, your Affiant saith not.
