RE: Raymond T Ware/Renda E Ware #97-02722

I am filing an objection to the above Bankruptcy case #97-02722. I object to the amount of \$1600.00 they want to put into the Bankruptcy.

I have reason to believe that Mr. Raymond T Ware collects a W2 wage from Aspen Consulting, an employee leasing firm and with Mrs. Renda Ware's wage, the amount they want to put into the Bankruptcy is a small fraction of the debtors earnings. The business already pays the debt on the building. They the debtors also collect rent from the renters in the building of the CPA firm at 149 3rd Ave East Twin Falls, Idaho.
