In Reference: Case No. 98-02141 - Community Home Health, Inc.

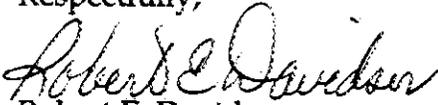

To Whom It May Concern:

I have received the Notice of Hearing dated December 31, 1998. The notice states that a hearing is to be held on January 27, 1999 at 1:30 p.m. to consider an Application for Interim Compensation to the attorneys for the Trustee in the amount of \$25,469.33.

I am respectfully submitting my written objection to the Application for Interim Compensation.

I, like all of the employees of Community Home Health, Inc. worked from June 1, 1998 until June 25, 1998, when the company filed for bankruptcy. I, like my fellow employees, was not paid for the time worked in June. The amount of money owed to me personally is \$1483.99. While I realize that the attorneys must be paid, I can not help but feel that the former employees who worked faithfully for this company should receive the salary due to them before any monies are paid to the attorneys.

Respectfully,

Robert E. Davidson
