UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF IDAHO

UNITED STATES OF AMERICA,

Plaintiff,

vs.

AMY RENEE FLUCKIGER,
aka AMY BROWN,

Defendant.

Case No. CR-03-217-E-BLW

**MOTION TO WITHDRAW AS
ATTORNEY OF RECORD**

COMES NOW Steven V. Richert, Esquire, attorney of record for the above named defendant, and respectfully moves the Court pursuant to Local Rule 44.1(b) of the Federal Rules of Criminal Procedure, for an Order allowing withdrawal as attorney of record, and further, for appointment of new counsel in the above matter. This Motion is made on the grounds and for the reason that it has recently come to counsel's attention that a conflict of interest exists between one or more clients now or previously represented by the Federal Defenders of Eastern Washington and Idaho and Ms. Fluckiger which requires that new counsel be appointed. Because counsel from the Federal Defender's Office has represented other defendants who may have had a relationship with or knowledge of Ms. Fluckiger, a potential

conflict of interest exists which may jeopardize the attorney/client relationship, and makes it inappropriate to continue to represent Ms. Fluckiger.
