for the District of Idaho**

POCATELLO – Today Judge David C. Nye was sworn in as an Article III Judge for the United States Courts for the District of Idaho. President Donald J. Trump signed Judge David Nye's Commission letter earlier this morning, clearing the way for Idaho's first Federal District Judge in over 22 years. The oath was administered during a private ceremony this morning by Judge N. Randy Smith, a Ninth Circuit Court of Appeals Judge and former law partner of Judge Nye. A public investiture ceremony will be scheduled at a later date.
