

Chief's Message

This is the public website of the Probation and Pretrial Services unit for the District of Idaho. Our offices in [Boise](#), [Coeur d'Alene](#), [Lewiston](#), [Pocatello](#), and [Twin Falls](#) provide core services of pretrial investigation and supervision, presentence investigation, and post-conviction supervision of persons charged or convicted of federal crimes.

In this website, you will find information about the services we provide, and contact information for our staff and locations of service. This site was designed to be of service to the public, those we supervise, and those who do business, or wish to do business with us in the future. We are especially committed to the educational process and besides our student internship program, our staff frequently speak at local high schools and colleges. We are committed to educating all those with whom we do business. I encourage you to look at our Strategic Plan and see the many ways we are committed to constantly improving as individuals and as a team.

The District of Idaho is committed to excellence in the services we provide and our long term goals reflect this commitment. We look forward to serving you.
