

Payments

- Credit Card and ACH data will be part of users' PACER records, not maintained at the court.
- Users can store up to three payment options. Payment options could be credit cards or bank accounts for ACH.
- Provide a credit card while registering, Case Search Status in PACER is activated upon successful validation.
- At registration: if a credit card is not given for PACER fees, the account will be put on inactive status. A token will be mailed via U.S. Mail and the registrant will be able to complete the registration status.
- Same-day registration may not be available on weekends or holidays.
